Give your employees the mobility they deserve

At Mbrella we help companies to implement and manage flexible mobility options tailored to your employees. **Without HR hassle.**

- ✓ Free your employees from traffic jams
- ✓ Lower your ecological footprint
- ✓ Offer more attractive salary packages

We integrate with your social secretary & 100+ mobility providers

Integrate with mobility providers

We offer a wide range of up-to-date transportation via our strong integrations with mobility providers and MaaS apps.

Manage your flexible mobility policies

Configure the mobility policies of your employees: mobility budget, kilometre allowances, public transport subscription, bike lease,...

Integrate with you social secretary

By integrating with social secretaries, we ensure the budget is treated correctly and automatically from a payroll perspective.

We are continuously **adding more integrations to support as many solutions** as possible.

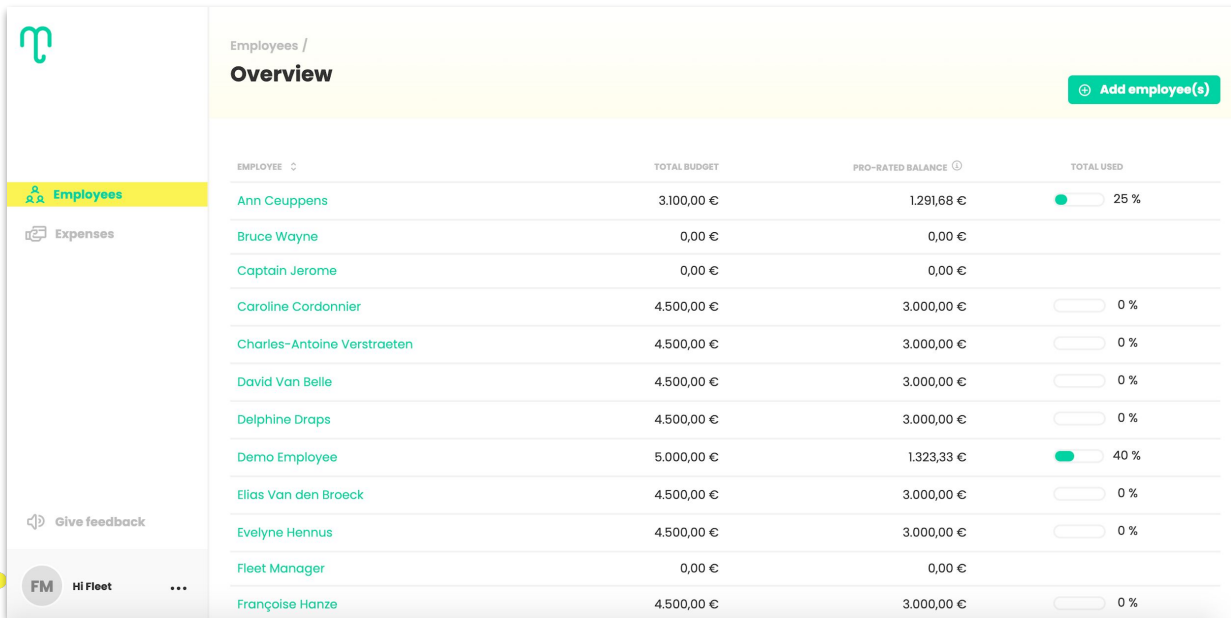

Focus on the **mobility budget**

Fully **dynamic budget consumption** - no need for pre-allocated budgets or subscriptions

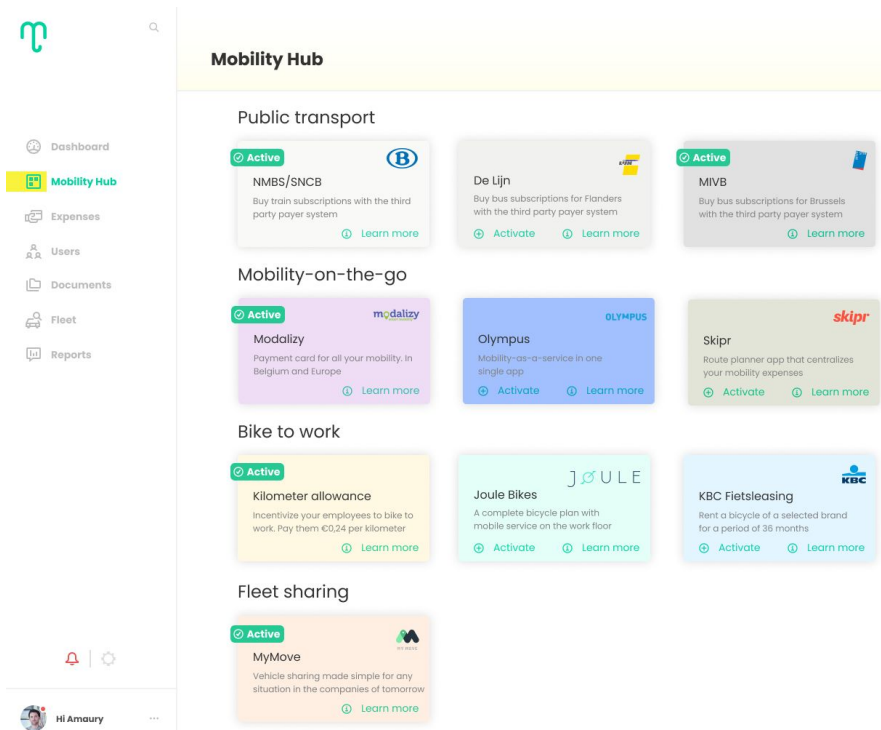

Compliant with all the regulations of the mobility budget law
