

The easiest way to smarten your mobility

**We believe that “one size fits all”
isn’t true anymore, because...**

- Employers organize work differently
- Employees require flexible mobility

Vaigo unique approach

TRIPLE WIN:

- 1) Employees get more flexibility (well-being)
- 2) Employers get less admin work (automation)
- 3) Open the door to a broader offer (new vendors)

Top Belgium companies choose Vaigo

“ Vaigo is the missing link between our corporate systems / policies, and the various mobility providers across Berlin & Paris”

William Ireson, HR Manager

() In France and Germany*

“ Our employees can choose from different mobility packages, Vaigo helps us to guide our employees and enables the administration ”

Elie Raport, Mobility Manager (Mobility Manager of the Year 2020 - Fleet Magazine)

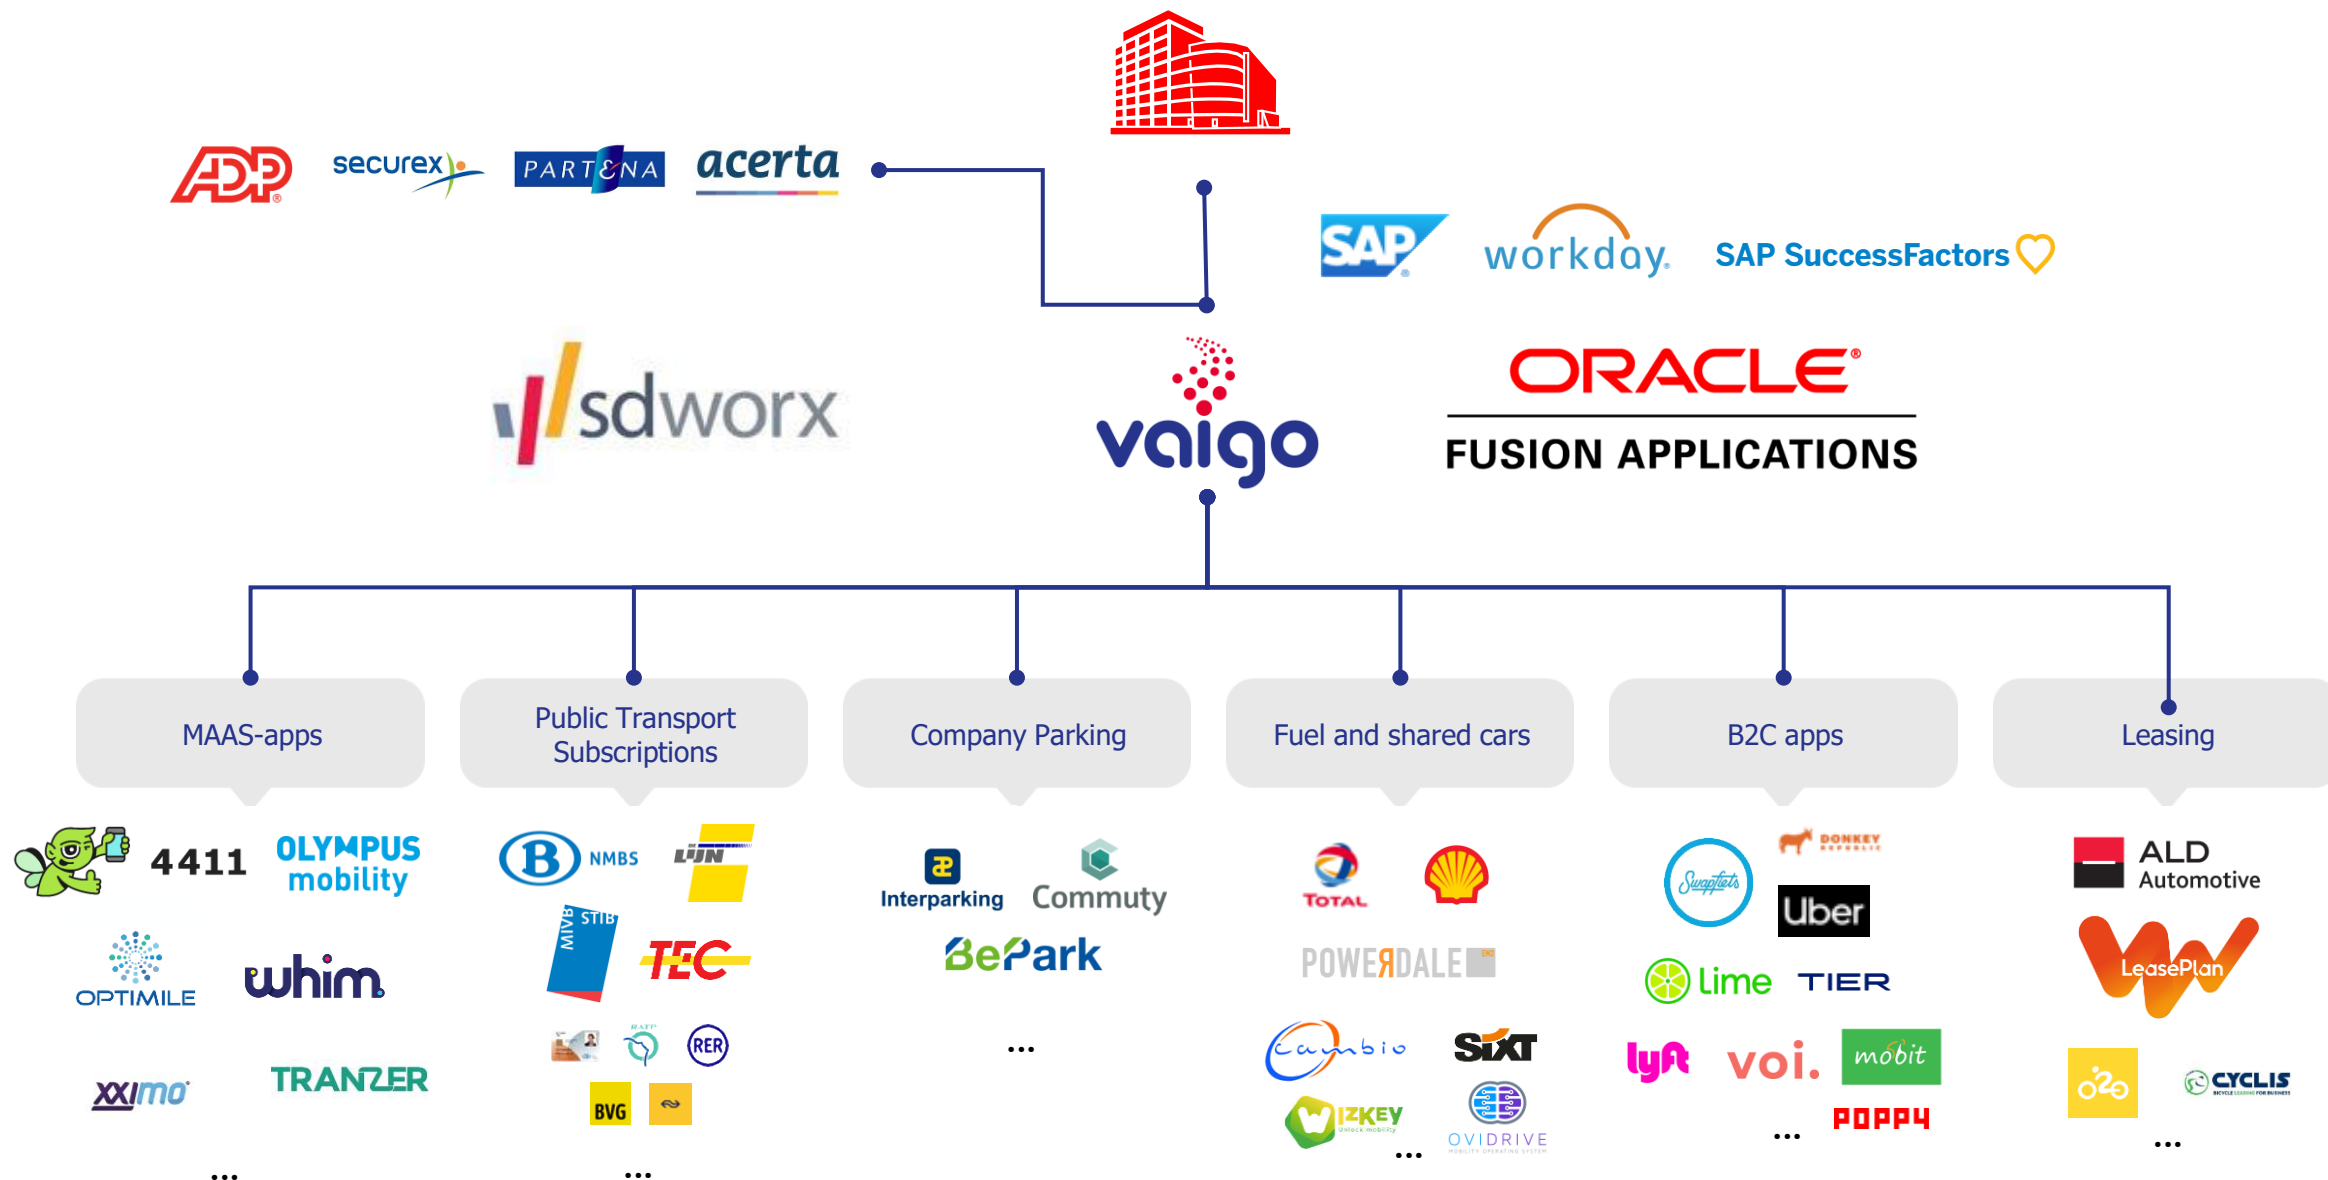

“ Vaigo enables our employees to chose from a set of different mobility options, enabling us to save parking costs and reduce CO2 ”

Giovanna Rollo Collura, Head of Compensation & Benefits

Vaigo is your custom Employee Mobility Portal

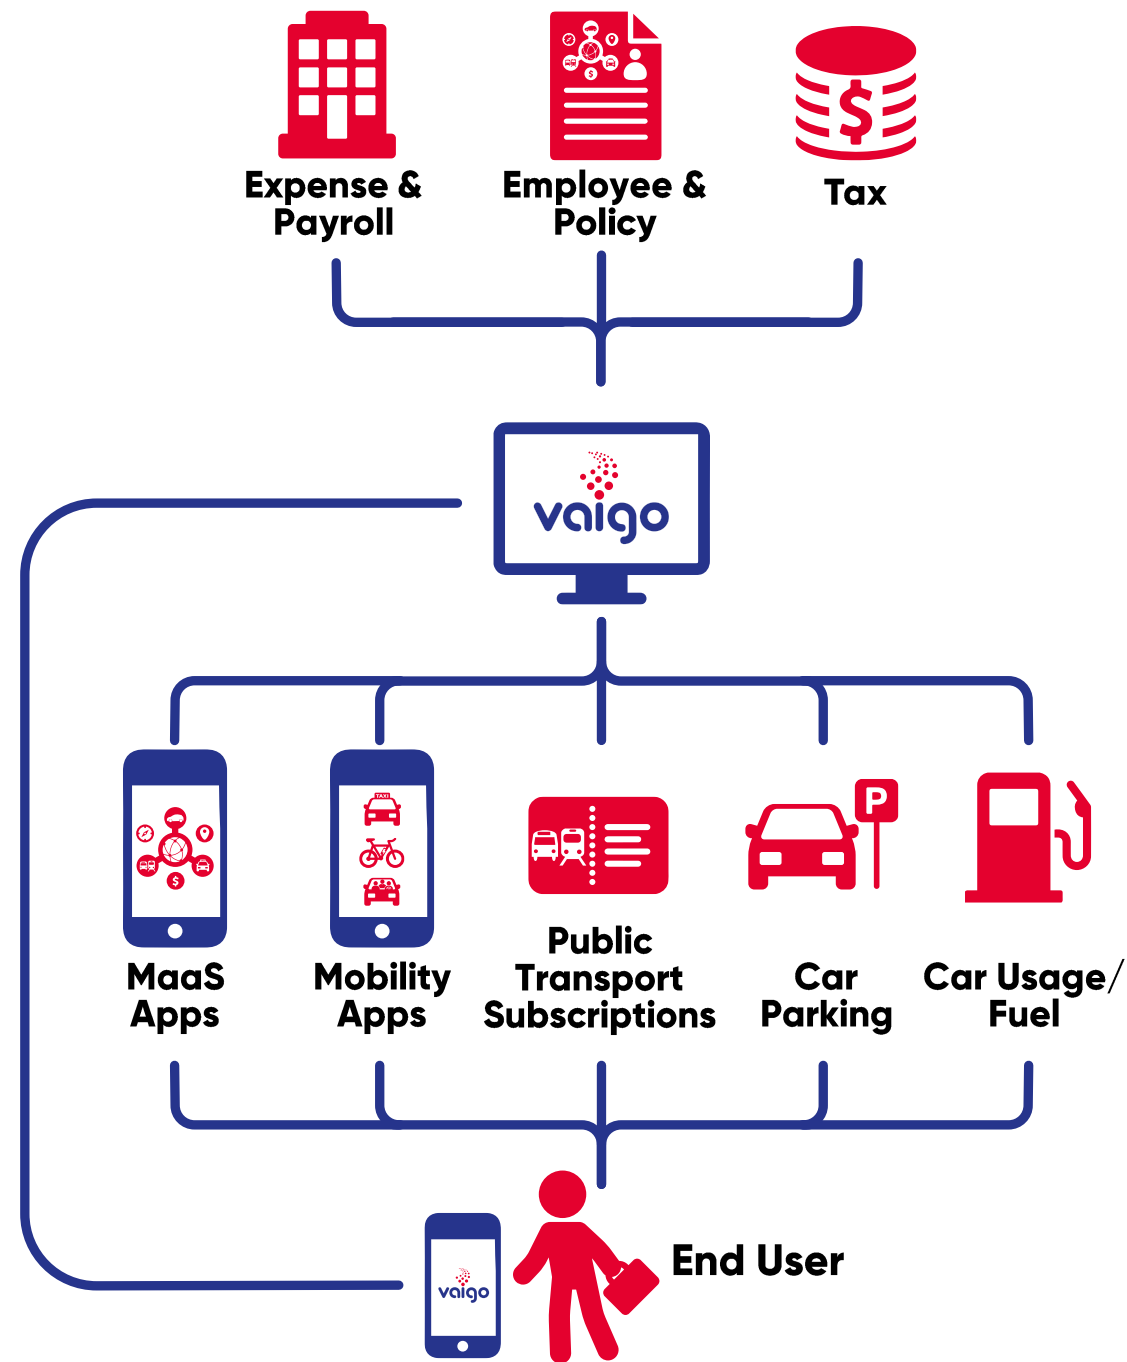

All these vendors are available (only if you want/need to)

How does Vaigo work?

THANK YOU
